1. The Eminent Indian *Mishna-Nag*, Josephus, of the Great Tribe of Ephraim, is working the most marvelous thing in Canada for the relief of the thousands of Canadian Medical History he attended the introduction of any medicine.

WHY?

SIMPLY because the numerous Yama medicinal vegetable ingredients (some of which we will mention, such as the Extracts of Bark, Podophyllum, Juniper, Quassia, Dandelion, Hyoscyamus, Compound Erythra, Jalap, Scrofole Aloes, Capsicum, which enter into the composition of

medicine, are such so harmoniously compounded, that it is made the most easy in the known world, and cannot hurt in any system in the body, and does not. No matter what your ailment may be, or standing, it will end the spot and restore in rapid manner in which you are restored to health and full vigor.

This medicine is pleasant and safe; is warranted, and may positively be relied upon as a permanent cure of all diseases of the Throat, Kidneys, Digestive Organs, etc. It cures the various diseases of the Throat arising from impurity of the Blood, the Third Stage of Consumption. CURE OF BRONCHITIS

UNITED

J. O. CHAMBERLIN, Esq.—This is to certify that three years ago I became afflicted with Bronchitis, which lasted about eighteen months. I was so for the want of breath that it was very difficult to speak, and in the night time frequently threw clothes off and raised in the bed to keep from straining. continued to use it until I had taken three bottles to my satisfaction I found that I was as well as had been previous to my illness, and have been since.
